

Country	MCA Program Procurement Webpage	Project Name	Description of Contract Opportunity	Requirement Type	Relevant Sector	Anticipated Quarter of Publication (Calendar Quarters)	Comments
Benin	MCA-Benin II	Policy Reform & Institutional Strengthening Project (PRISP)	IPP Consultancy & Transaction Advisor	Consultant Services	Energy	2017 Q3	launched
Benin	MCA-Benin II	Electricity Distribution Project	National Electricity Dispatch Center	IT & Works & Goods	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Electricity Distribution Project	Building for the National Dispatch Center	Design & Works	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Electricity Distribution Project	Recruitment of a Telecommunication Engineer to support the Dispatching project as a member of the Technical Evaluation Panel for the Dispatching (IT)	Consultant Services	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Electricity Distribution Project	Recruitment of a SCADA / IT Expert to support the DISPATCHING project as a member of the technical evaluation panel for the Dispatching (IT)	Consultant Services	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Electricity Distribution Project	Recruitment of a Civil Engineering Expert to support the DISPATCHING project as a member of the technical evaluation panel for the Dispatching (Building)	Consultant Services	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Policy Reform & Institutional Strengthening Project (PRISP)	Develop standards and labels for electrical equipment, provide technical assistance and capacity building to Gov. of Benin	Consultant Services	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Policy Reform & Institutional Strengthening Project (PRISP)	Development and implementation of a communication plan on energy efficiency	Consultant Services	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Electricity Generation Project	Recruitment of an Expert in Hydrology to support the Project Production as a member of the Technical Evaluation Panel of the offers relating to the hydroelectric power station	Consultant Services	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Electricity Generation Project	Recruitment of a Climatology Expert to support the Project Production as a member of the Technical Evaluation Panel of the offers related to the hydroelectric power station	Consultant Services	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Electricity Generation Project	Recruitment of a Hydroelectric Dam Expert to support the Project Production as a member of the Technical Assessment Panel of the offers relating to the Yéripao Hydroelectric Power Plant	Consultant Services	Energy	2017 Q4	Not yet launched

Benin	MCA-Benin II	Gender and Social Inclusion Program	Recruitment of a Consultant for the implementation of WEE (Women Entrepreneurship of Electricity) activities	Consultant Services	Energy	2017 Q4	Not yet launched
Benin	MCA-Benin II	Policy Reform & Institutional Strengthening Project (PRISP)	Recruitment of an Individual Consultant for the audit of the plan contract implementation	Consultant Services	Energy	2017Q4	Not yet launched
Benin	MCA-Benin II	Policy Reform & Institutional Strengthening Project (PRISP)	Management Contract / Electricity utility	Consultant Services	Energy	2018 Q1	Not yet launched
Benin	MCA-Benin II	Policy Reform & Institutional Strengthening Project (PRISP)	Produce audits of energy engineering and project management of energy efficiency projects	Consultant Services	Energy	2018 Q1	Not yet launched
Benin	MCA-Benin II	Policy Reform & Institutional Strengthening Project (PRISP)	Recruitment of a Consultant to develop the SBEE network code	Consultant Services	Energy	2018 Q1	Not yet launched
Benin	MCA-Benin II	Policy Reform & Institutional Strengthening Project (PRISP)	Recruitment of a Consultant to elaborate the SBEE specifications as operator / dealer	Consultant Services	Energy	2018 Q1	Not yet launched
Benin	MCA-Benin II	Electricity Generation Project	Detailed Design and Engineering Study + EIES for the Construction of Photovoltaic Solar Power Plants	Consultant Services	Energy	2018 Q1	Not yet launched
Benin	MCA-Benin II	Electricity Generation Project	Design and realization of the works of rehabilitation, modernization and reinforcement of the Yéripao hydroelectric plant (Design Build + EIES + hydrological studies)	Design and works	Energy	2018 Q1	Not yet launched
Benin	MCA-Benin II	Electricity Generation Project	Recruitment of an Expert in Construction of Photovoltaic Solar Power Plants to Support Technical Assessment Panel of tenders relating to detailed design and engineering study for the construction of photovoltaic solar power plants	Consultant Services	Energy	2018 Q1	Not yet launched
Benin	MCA-Benin II	Electricity Generation Project	Recruitment of a Network Stabilization Expert to support the Technical Evaluation Panel for the detailed design and engineering study for the construction of photovoltaic solar power plants	Consultant Services	Energy	2018 Q1	Not yet launched

Benin	MCA-Benin II	Electricity Distribution Project	Regional and Cotonou Electrical Distribution Grid Strengthening activities	Works	Energy	2018 Q3	Not yet launched
Benin	MCA-Benin II	Electricity Distribution Project	Study for implementation of maintenance and management system of SBEE	Consultant Services	Energy	2018 Q3	Not yet launched
